

sabzevar university of medical sciences

CURRICULUM VITAE

PERSONAL INFORMATION

Name: Fatemeh

Surname: Ghardashi

Affiliation: Paramedical School, Sabzevar University of Medical Sciences, Sabzevar,
Iran

Tel: +98 05144018300-6 **Fax:** 051-44018440

Email: f2.ghardashi@gmail.com

EDUCATIONAL BACKGROUND

PhD in Health Research & Technology Management

MSc. in Nursing Education

BSc. in Nursing

Associate Degree in the operating room

DISSERTATIONS

PhD Thesis Title:

**Thesis title: Designing an Innovation Capability Development Model In
vice-chancellor of Research & Technology in Iranian Universities of
Medical Sciences**

✓

MSc Thesis Title:

- ✓ Thesis title: **The relationship between waiting time and preoperative anxiety in surgical patients admitted to teaching hospitals of Mashhad University of Medical Sciences.**

✓ **Awards and Ranks**

- ✓ Second place in PhD Examination (Health Research and Technology Management)
- ✓ Second place in Sabzevar Asrar Festival for Anesthesiology in Traumat and Orthopedics
- ✓ Award from the head of Sabzevar University of Medical Sciences, Dr. Hasan poure for Selection as distinguished nurse of Nursing Organization at May 2011.
- ✓ Award from the head of Sabzevar University of Medical Sciences, Dr. Hasan poure for Selection as distinguished nurse of Faculty Members of Sabzevar University of Medical Sciences at May 2012.
- ✓ Award from the head of Sabzevar University of Medical Sciences, Dr. Hasan poure for Selection as distinguished researcher of Faculty Members of Sabzevar University of Medical Sciences at 2010.
- ✓ Award from the head of Sabzevar University of Medical Sciences, Dr. Hasan poure for Selection as distinguished researcher of Faculty Members of Sabzevar University of Medical Sciences at 2011.

TEACHING EXPERIENCES

I: Teaching Experiences I

- I. Research Methodology for the student of operating room
- II. Research Methodology for the student of Anesthesiology
- III. Research Methodology for the student of Emergency Medical Service
- IV. Principles of Advanced Care in PACU for the student of operating room
- V. Principles and techniques of clinical skills for the student of Anesthesiology
- VI. Principles and function of circulator nurse for the student of operating room
- VII. Principles and function of scrubs nurse for the student of operating room

- VIII. Surgical technology in digestive and endocrine surgery for the student of operating room
- IX. Surgery technology in urology surgery for the student of operating room
- X. Surgical technology in respiratory surgery for the student of operating room
- XI. Surgical technology in neurosurgery and orthopedics for the student of operating room
- XII. Surgical technology in pediatric surgery for the student of operating room
- XIII. Introduction to surgical instrument & equipment and equipment for the student of operating room
- XIV. Principles of sterilization and disinfection for the student of operating room
- XV. Introduction to Surgical Technology
- XVI. Mental health in the operating room for the student of operating room
- XVII. Emergencies for the student of operating room
- XVIII. recognition of diseases for the student of Emergency Medical Service
- XIX. Management in the operating room for the student of operating room**
- XX. Anesthesia Management for the student of Anesthesiology**
- XXI. Hospital Management and Behavior for the student of Radiology**

PROFESSIONAL MEMBERSHIP

- ✓ 1- Member of the Scientific Committee of the First Student Conference on Human, Environment and Healthy Living in Sabzevar University of Medical Sciences, March 2007.
- ✓ 2- Member of the Presidential Poster Section at the First Student Conference on Human, Environment and Health of Sabzevar University of Medical Sciences, March 2007.
- ✓ Member of the Research Council of Sabzevar University of Medical Sciences, 2018.
- ✓ - Member of the Committee for Strategic Plan Development, Faculty of Paramedics, Sabzevar University of Medical Sciences, 2010.
- ✓ Manuscript Reviewer of; Journal of Sabzevar University of Medical Sciences, 2011-

- ✓ Manuscript Reviewer of; Journal of Education and Health Promotion (JEHP), 2017-

RESEARCH FIELDS OF INTERESTS

Research Field. Qualitative and Quantitative Research in innovation capability

Research Field. Innovation management

Research Field. Operating room, nursing

Research Field. Medical Education

Research Field. Systematic Review

CONFERENCE PARTICIPATION
